Free services for
Kent Free Library
cardholders who are
unable to visit the library

Serving All Patrons

The Kent Free Library is dedicated to serving all library cardholders, including those who are unable to come to the library.

We are pleased to offer two homebound services, Library @ Your Door Delivery and Homebound Selection Service.

To qualify for either service, participants must:

- Meet the Medicare definition for homebound
- Have a current Kent Free Library card
- Complete a participation form, available online, at any Information Desk, or by mail

For more information or to request a participation form in the mail, contact the Kent Free Library Information Desk at 330.673.4414

Library @ Your Door Delivery

For library cardholders residing within the Kent City School District, the Kent Free Library will deliver library materials to your home if you are unable to leave home due to a permanent homebound condition, or a temporary condition that will last for six weeks or more.*

Library staff will conduct a brief interview with you about your material preferences and arrange a mutually beneficial delivery schedule.

Library staff will then select books and other library materials specifically for you and deliver them to your door.

*Lack of transportation alone is not a valid reason to request delivery

Homebound Selection Service

For library cardholders residing outside the Kent City School District, the Kent Free Library now offers Homebound Selection Service.

Library staff will interview you about your material preferences and arrange a pickup schedule. You can then designate a responsible adult to pick up, deliver and return your library materials.

Medicare Definition of Homebound

- *Leaving your home isn't recommended by your physician because of your condition, or*
- *Your condition keeps you from leaving home without help (such as using a wheelchair or walker, needing special transportation, or getting help from another person), or*
- *Leaving home takes a considerable and taxing effort*
