**I am a Kent City School District resident requesting Library @ Your Door Delivery Service because:**

- Leaving my home is not recommended by my doctor due to a permanent or temporary condition.
- My condition keeps me from leaving home without help; such as a wheelchair, walker, special transportation, or requiring assistance from another person.
- Leaving home takes a considerable and taxing effort.

*In addition, I do not have anyone who is able to regularly pick up and drop off library materials for me.  
Please note that lack of transportation alone is not a valid reason to request delivery service.*

**I am NOT a Kent City School District resident, and:**

- I am requesting **Homebound Selection Service** because I am unable to come to the library and I have given consent to one or more people to pick up library materials selected for me.

I will need this service (check one):

- Permanently
- Temporarily (estimated time frame: \_\_\_\_\_)

I agree to assume responsibility for renewing items checked out on my account, paying fees for lost and damaged items including library tote bags, paying fines for items borrowed from other libraries, and paying fees for printed mail notices. I understand the library will maintain a records of the materials I borrow for the sole purpose of selecting library items and avoiding duplication. I understand the library has the right to restrict the format and titles requested based on availability and can terminate this service at any time if I no longer meet the requirements as defined above.
