

Donation Form

To be accepted, seeds must be:

- Grown by the donor in 2022
- From open-pollinated, non-genetically modified, non-hybrid and/or heirloom plants that are not listed as invasive species
- Completely dry, free from any debris, and in a clear sealed plastic bag

The Library reserves the right to refuse or to dispose of donated seeds that do not meet these criteria.

Common Name of Plant:

Variety:

Location Grown:

Date Harvested:

Donor Name:

Email:

Phone Number:

On the back, please share any notes pertinent to the seeds (eg., where you got them, a description of uncommon varieties, etc.) or anything that other growers might need to know about the plant.
